JC GROUP / CORPORATE PRESENTATION

MARINE EXPERTISE.

Connected at sea.
Ready for every requirement.

INTEGRATION / CONNEXION / SUPPLY

05 / MARINE DIVISION

BUSINESS 01

JC Marine Integration

Marine expertise since 1999.

Integrated solutions for the shipping industry, specialising in marine communication and navigation equipment, as well as automation systems.

1999 / MARINE EXPERTISE SINCE

13 / LEASING PACKAGES

CONNEXION / LEASING PACKAGES

Two ways to lease satellite equipment.

Lease to Own

24–60 MONTHS

Option to purchase the equipment at an agreed price when the lease expires.

Life-time Warranty

24–60 MONTHS

Option to terminate after 24 months. Eligible faults or non-human-caused damage qualify for a 1-for-1 equipment exchange.

BOTH PACKAGES INCLUDE

- VSAT or Starlink equipment
- Installation & dismantling
- Commissioning & system setup
- Monthly airtime charge

21 / TECHNICAL DOCUMENTATION

SUPPLY / WRITING & ILLUSTRATION

Technical clarity, from page to drawing.

Technical writing

Clear documentation for vessel operations and equipment.

- Ship operating & engineering manuals
- Maintenance plans: engines, gearboxes, control stands and deck equipment
- Review, update and convert existing files

Illustration & electrical design

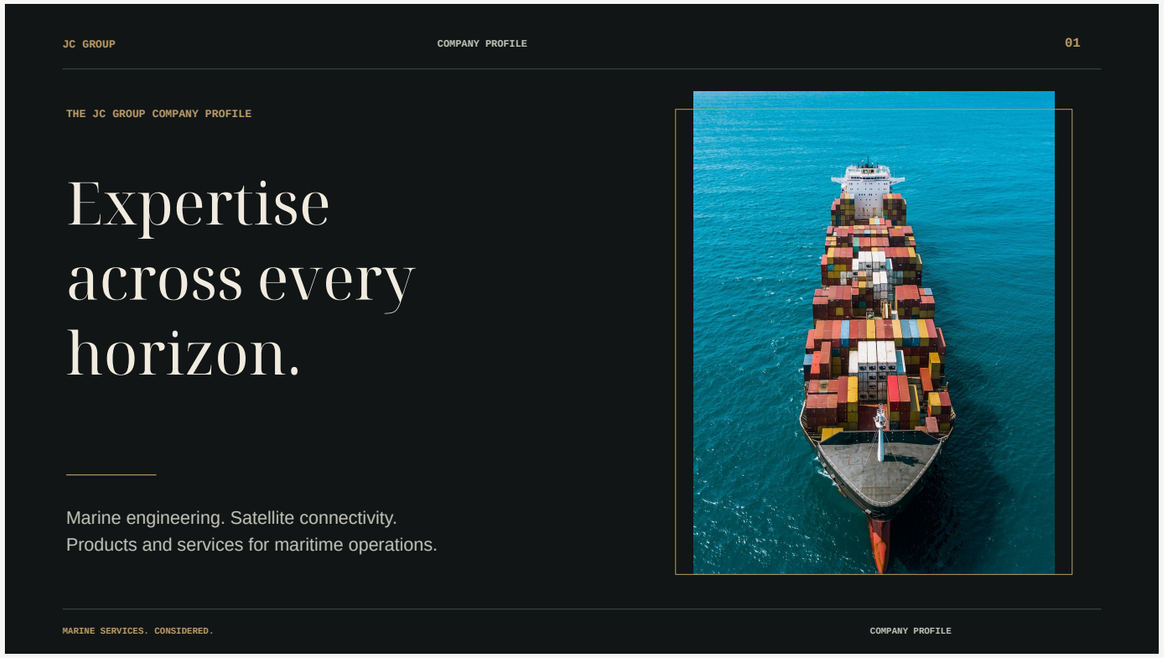

Supporting technical graphics and custom drawings.

- Electrical drawings and vessel calculations
- Domestic-to-near-coastal vessel conversions
- New illustrations to customer requirements
